

Black Jack

Dealer

"?" will flip a card from deck (get # and suit)

Dealer's Rules: Dealer hits on ≤ 16 and stays on ≥ 17 after player folds or busts.

Will display running total (A = 1 & 11) and/or "Bust!" or "21!"

Player

"Grayed out" "Split" column until action requested

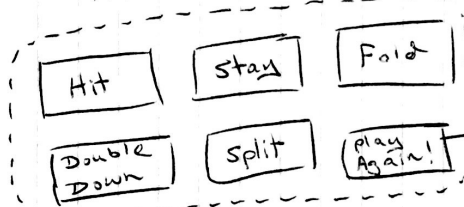

Results:

Bust!

Total: 25

Bank:

\$ 98

"Buttons grayed out" when applicable

Double Down: On deal, you can bet the same amount (\$2) again and receive only 1 card before dealer plays

Split: On dealt 2 same cards, you may play 2 games as columns of cards starting...

"Play Again" will deduct \$2 bet and deal 2 cards to player - 1 & 2 to the dealer (1 face down)

BLACK JACK

Rules

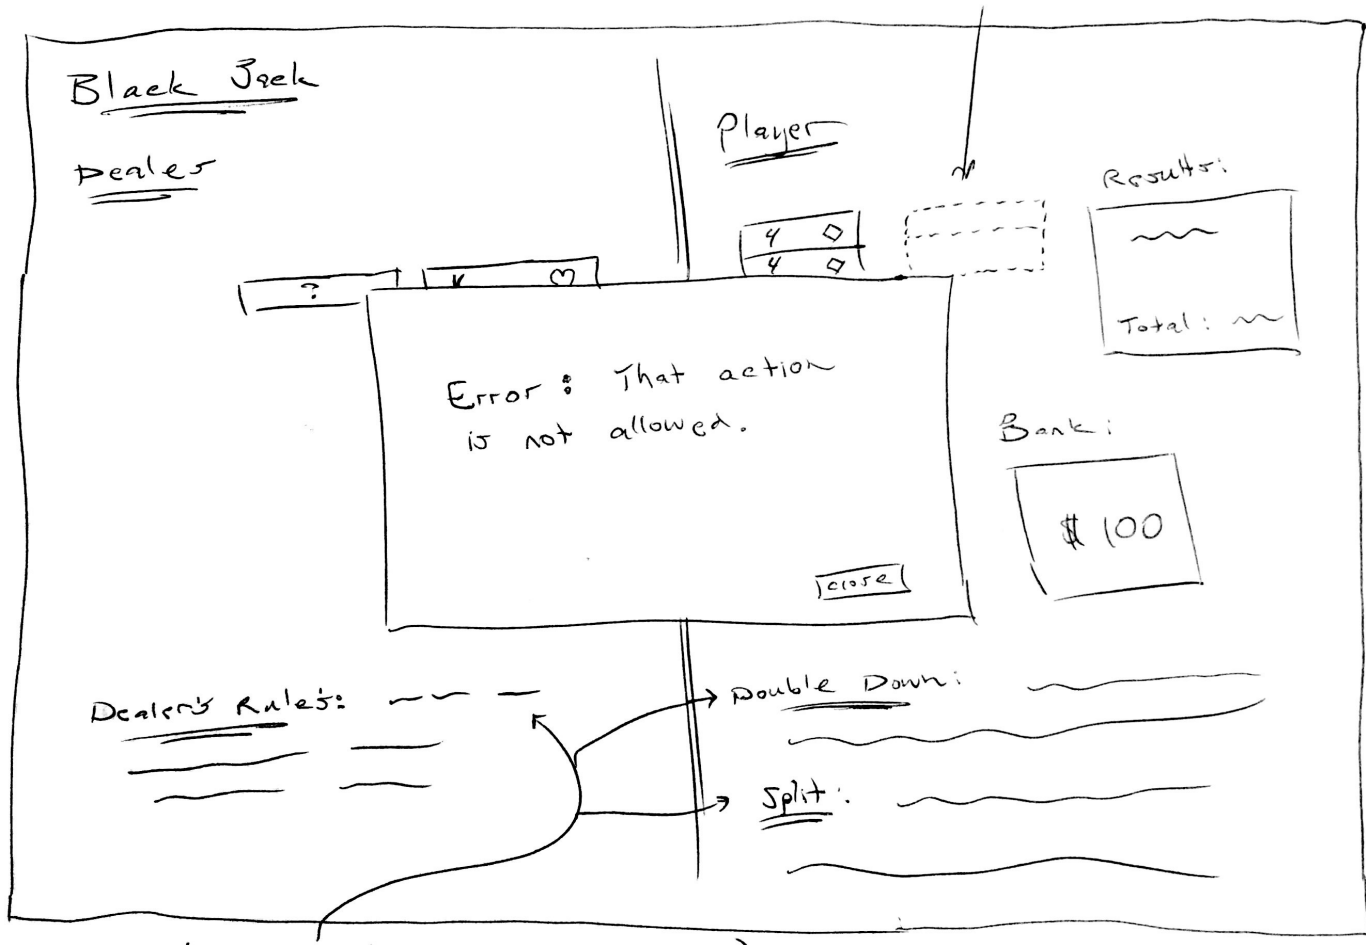

How To Play

play Game!

"Rules" and "How To Play" result
in a drop down (printed to screen)
text of the respective information

"play Game!" is a link to
the html game file
(essentially the "Regular Play")

Greyed out section
for "split"
